

This form is used to advise the death of a racehorse including a retired racehorse or an unraced thoroughbred.
The death of a horse can be reported by an owner, trainer, authorised agent or any other person who was in charge of the horse at the time of its death.
Please note local Stewards must also be notified of the death of the horse and if a current stable return exists the trainer must lodge an amended stable return as soon as practicable.

Please use BLOCK letters and write clearly using black or blue pen.
